

## LPG Warranty Registration Form

The Warranty period will automatically start on all units in a dealer/distributor's stock inventory that have not been sold to an end user after three (3) months from the date of shipment. Otherwise, the warranty begins upon the day of shipment to the end user.

When a unit is sold from stock to the end user, this Warranty Registration Form must be completed and returned to EKKO manufacturer for the warranty period to begin within fourteen (14) business days from the date of sale to the end user. Supporting Documentation such as: Proof of Sale to the end user, BOL (proof of date of shipping), POD (proof of delivery) and any other supporting documentation needs to be provided or warranty claims will not be considered.
