# **About Us**

Since 2008, EKKO Material Handling Equipment Manufacturing Inc. has established itself as the go-to manufacturer for OEM and ODM channels. Through our extensive experience, innovative manufacturing capabilities, and international collaborations, we have built a reputation for delivering high-quality forklifts, pallet trucks, walkie pallet trucks, walkie rider pallet trucks, stackers, walkie stackers, reach trucks, and a wide range of material handling equipment.

Our commitment to excellence is backed by rigorous research and development, stringent quality control, and comprehensive quality assurance. Every EKKO product meets CE certification standards and adheres to international safety regulations, supported by ISO9001 certification. Additionally, we maintain self-managed import and export rights across North and South America, Europe, Australia, and Asia.

We proudly welcome OEM and ODM collaborations and offer the flexibility to produce non-standard equipment tailored to customers' specifications and requirements. Guided by our operating philosophy of "Services Create Enterprise Value," EKKO is dedicated to providing top-tier quality and professional after-sales support.
